Terms: Do you align with our goals of experiencing more ease, fun and wish to focus on creating some healthy, wholesome old-fashioned Summer memories for your child(ren)? Would you like to highlight the human elements of community, connection, creativity, contributionism and collaboration in a home-like sanctuary setting for your child (ren)? This space is held for children to relax, ground, learn & experience new wellness skills and make new friends while establishing a reprieve from the unrelenting, oppressive, and distracting world at large-one day at a time for our family and yours...**INQUIRE at: elainevjmuir@icloud.com.**
